### Punjabi platter

**T**he flavours of Punjab are closer than you thought. With Pizza Hut introducing Full Punjabi, you can now savour a range of pizzas with extra loaded toppings, inspired by Punjabi cuisine. It includes non-vegetarian and vegetarian pizzas.

Some of the toppings include kadai chicken, murgh mussalam, amritsari paneer, chatkila chat and kadai paneer. The pizzas are available in medium and large sizes at prices starting from Rs. 160.

There are three refreshing new drinks — aam panna, tangy orange and mango delight.

The new range is available at all Pizza Hut outlets and can be ordered from home for the next three months.
