**BEING CYRUS "Pizzas are a mainstay of my diet" maintains Broacha**

Pizza Hut have launched "Ring O' Garlic", a range of pizzas with a smattering of garlic and parsley on the base and the piece-de-resistance is the crust which is a ring of butter and garlic along with another generous sprinkle of parsley. The Ring O' Garlic fiesta was launched by irreverent, funny man Cyrus Broacha and Marketing Director, Anup Jain.

Pizza Hut will also be introducing 11 creative and tasty topping combinations for this special range of pizzas. The range is available in medium and large size pizzas, priced at Rs. 125 for vegetarian and Rs. 180 for non-vegetarian for medium pizzas. The toppings include five vegetarian and six non-vegetarian toppings such as Grill O' Delight, O' Spicy Veggie, Peppy O' Chicken and many other lip-smacking choices.

Cyrus Broacha said, "I have always been a great fan of Pizza Hut and I'm sure that it's more than obvious from my healthy girth that their pizzas are a mainstay of my diet. The garlic and herb topping on the crust is simply divine and I can vouch that people are going to be torn between which side of the pizza to begin eating from - the crust or the base. Simply put, garlic never tasted so good before."

The new Ring O Garlic range of pizzas will be available across all Pizza Hut outlets and can also be ordered at home for the next three months.
