Chicken and many other lip-smacking choices. Commenting on the Ring O' Garlic launch, Anup Jain, Marketing Director Indian Subcontinent Yum!

Restaurants International said, "As the leader in casual dining, it is our continuous endeavour to create new products for our consumers. Our experience has shown that while customers relish the pizza base and topping, they find most pizza outer crusts too bland. With the Ring O' Garlic range we are adding flavour to the crust to ensure that the consumers will not only enjoy the crust, but might just start eating the pizza crust-inwards. With this new spiced up crust, customers can be ensured of a happy ending."
