

CHECK Out

■ Pizza Hut has launched *Cheesy Bites*, a pizza with 22 pop-able cheese filled bites, which form the pull-apart crust. The *Cheesy Bites* range offers three non-vegetarian options including *Spicy Chicken*, *Chicken Sizzle* and *Peppy O'Chicken*. For the vegetarians, the options include *F fiery Magic Masala*, *Mediterranean Delight* and *Paneer Bonanza*. The pizzas are available in 'personal' and 'classic' size options. You can also order any pan pizza in the *Cheesy Bites* style.

A close-up photograph showing a hand pulling apart the crust of a pizza. The crust is composed of many small, bite-sized pieces that are filled with melted cheese. The pizza is topped with various ingredients, including what appears to be chicken and vegetables.
