

TUSCANI TABLES

On a pleasant Bangalore afternoon, it was time to bring in some Italian delights from the Chef's table, an initiative of an international pizza major at the busy mall on Hosur Road. Led by Chef Arjyo Banerjee with Chef Luca Ciano from Barilla, Italy, the event was a first in a series of such dos planned for food connoisseurs. The chefs were at their pots and pans demonstrating how to

whip up a crunchy salad, Bruschettas, Creamy Spinach and Mushroom pasta, Caserecce pasta with Prawn Bisque along with an indulgent Lasagne with pesto genovese and Tiramisu for dessert. Teamed with fine Italian wines and Mango Mint Margaritas. The chemistry and the infectious camaraderie between the two chefs resulted in interesting conversations between them and the invitees later on.
