\*All these products are analysed at FSSAI approved, NABL accredited and ISO 17025 certified laboratories. All values have been rounded off to the nearest decimal. Above values are based on per slice or portion size served in the restaurants. Substitutions of ingredients may alter nutritional values. Although this data is based on standard portion product guidelines, variations can be expected due to seasonal influences, minor differences in product assembly per restaurant and other factors. Certain locations may at times offer test products, limited-time offerings or other regional menu choices not listed here. Product data is based on current formulations as of the date of posting.
